

Schedule Overview - 2026 Locution User Group Conference

We're still finalizing the exact times that classes will take place. However, the schedule of events is as follows:

Monday, Sept. 14, 2026

-Fly-in day

-Welcome Reception - 5:30-8 pm: Mingle with the Locution staff & fellow attendees, while enjoying beverages & dinner under a covered patio with mountain views.

Tuesday, Sept. 15, 2026

-Classes: 9 am-5 pm

-Off-site Dinner at The Fort Restaurant: 6:30-9 pm

(The Fort is a famous Colorado restaurant surrounded by foothills, with views of the city lights to the east & mountains to the west.)

Wednesday, Sept. 16, 2026

-Classes: 9 am-5 pm

Thursday, Sept. 17, 2026

-Breakfast: 7:30-8:45 am

***Note to Prospective Attendees:** *We are planning on doing a hands-on class at the Locution office on Thursday morning for a limited number of attendees. We will be sending out a survey to assess if attendees would be interested in extending their trip by a half day.*

2026 Locution User Group Class Highlights

We will be bringing back some popular classes and adding new ones. The new classes will include:

- How AI Is Being Further Integrated into Locution
- Locution and Cybersecurity
- Deeper Dive into Radio

***A full class schedule will be published in April.**
